

REMARKS

In the Official Action mailed March 26, 2004, the Examiner required restriction of the claims to one of two specified groups (e.g., Group I, claims 1-17 and 25, drawn to a multiplier operating in different modes based on a determination of proximity to sampling operation, classified in class 708, subclass 620, and Group II, claims 18-24, drawn to a switching circuit, classified in class 708, subclass 200. Applicants have cancelled the claims of Group II without prejudice in response to the restriction requirement. Election without traverse is hereby made of Group I, claims 1-17 and 25.

Accordingly, now pending in the application are claims 1-17 and 25.

Prosecution in due course is respectfully requested.

No fees are believed to be due by the filing of this Amendment and Response; however, if any fees are due by the filing of the enclosed documents, including any fees incurred by an extension of term, please consider this paragraph such a Request for term, and charge any fees associated with the Request or any other fees incurred by the filing of this document to Cirrus Logic Deposit Account No. 03-2028/0913-CS

Respectfully submitted,
